

**REMARKS**

Prior to this Response, Claims 1-29 were pending in the above-referenced patent application. The Patent Office required a restriction to one of the following inventions: Invention I including Claims 1-11 and 25-29, Invention II including Claims 12-18, or Invention III including Claims 19-24. **In response to the restriction requirement, Applicant herein elects Claim Invention I (Claims 1-11 and 25-29) with traverse.**

This provisional election is done with traverse to the extent this restriction requirement might later be shown to be misplaced, and without prejudice to the filing of possible divisional applications directed to the subject matter in the non-elected claims.

**CONCLUSION**

Please charge any deficit or credit any surplus to our Deposit Account No.

01-1960. A copy of this page is enclosed for that purpose.

For these, and other, reasons, Applicants believe that the claims are in condition for allowance. Reconsideration, re-examination, and allowance of all claims are respectfully requested.
